INSTRUCTIONS

Print on 8.5 x 11 paper
Print at 100% scale

Does the shoe fit?

It fits if your toes and heels line up with the red arrow. If they're short, go down a half size; if they're long, go up a half. Do not judge the fit by the width! Your foot may spill over a little and that's OK. If you wear medium shoes, these will fit you. The correct length is what we're looking for here.
